*\* Tier I benefit coverage applies to services that are provided and billed by a Community Health Network of Washington CHC only. Any contracted services that are provided at a CHC via a third party are subject to Tier II and Tier III coverage levels. For example, lab and x-ray, outpatient rehab therapy, etc.*

\*Tier I benefit coverage is offered in/by both CDHP and PPO medical plans.

Find your preferred CHC on Regence Group Administrators - <https://wa.accessrga.com/>

Enter your zip code and search by your preferred criteria:

What are you searching for today?

Doctors by name      Doctors by specialty      Places by name      Places by type

PLACES BY TYPE →      DOCTORS BY SPECIALTY →      BEHAVIORAL HEALTH →      FLU SHOT →  
Urgent Care      Primary Care Physic...      Behavioral health pr...      Immunization

Always call the provider AND facility to verify in-network status before scheduling and before receiving services. Not all services performed by in-network providers are covered. Please review your Summary Plan Description (click 'View Coverage' tab in your RGA member portal and click on 'Benefit Plan Details') for more information about covered and excluded services.
